

Aerotechnic

A GLOBAL VISION A REGIONAL SUPPORT

AIRBUS ✈️ ATR ✈️ BOEING ✈️ BOMBARDIER ✈️ EMBRAER

AFRICA | AMERICAS | ASIA | EUROPE | MIDDLE-EAST

Since 1994 we have been serving the airline industry through our global offices and representatives by holding stock in close proximity to our clients.

Our Mission is to support clients worldwide with the best quality (ISO9001 / FAA AC00-56 / EN9120 / AS9120 / CAMAC Aircraft Parts Distributor Certified) and delivery efficiency.

We continuously look for the best technical, financial and human resources to improve the quality of our services.

BUSINESS & PRODUCTS

Our core business is to supply aircraft spare parts worldwide to major and regional airlines Maintenance Repair and Overhaul facilities (MRO), repair stations, Original Equipment Manufacturers (OEM) and aircraft manufacturers.

Distributor and Stockist of fully traceable Aircraft spare parts New / Overhauled / Repaired for commercial aircraft in the civil aerospace industry. Stocking warehouses located in South Africa (Johannesburg), USA (Miami), Asia (Singapore) and France (Toulouse).

Global representation of leading manufacturers, offering comprehensive **product support**.

Through our aviation dedicated software and the agreements we have with a number of repair facilities, we can actively follow-up rotables under **repair or overhaul** on behalf of our customers.

QUALITY

Our Quality Management System is developed and implemented to comply with the requirements of:

Aircraft Part Distributor Quality System

Aerotechnic is a factory-authorized distributor and supplier of aviation equipment. We strive to serve our customers through a total commitment to integrity, service excellence and customer satisfaction.

To meet these goals, we have established a formal Quality Management System, which we are committed to continuously improve. Through this Quality Management System, we have put in place a pro-active set of objectives, processes and audits to ensure that all materials we handle is properly accounted for, documented, received, stored and shipped.

DISTRIBUTORSHIP LIST

ATA Various
CAGE: KC1J1
Distributor and Stockist for Aerospace Metals, Interior cabin product, Flexible Hoses, couplings and fittings (Orkal).

ATA 23
CAGE: D9240
Aviation certified microphones, headphones, headsets and handsets.

ATA 11
